# CAPABILITIES STATEMENT

IT Consulting & Business Transformation  
Innovative Thinking. Exceptional Results.

## COMPANY OVERVIEW

CWI Solutions is a certified woman and minority-owned IT consulting firm with 18+ years delivering business transformation, digital modernization, and program management for federal agencies and commercial clients. We combine strategic thinking with hands-on execution — on time, on budget, every engagement.

## CORE COMPETENCIES

- **Business Process Improvement** — Analysis, reengineering & documentation
- **Software Implementation & Modernization** — Full SDLC, config & training
- **Project & Program Management** — Agile, Scrum, SAFe & hybrid delivery
- **Management Consulting** — Strategic advisory & change management
- **Cloud & AI Solutions** — Migration strategy & emerging technology adoption
- **Staff Augmentation** — On-demand IT & business professionals
- **PM/CM — Transportation Sector** — Transit agencies, DOTs & highway infrastructure programs

## DIFFERENTIATORS

- Wide range of IT & business transformation services under one roof
- Seasoned professionals with deep federal & commercial sector expertise
- Customer-centric approach — client satisfaction drives every engagement
- Woman & minority-owned with multiple set-aside certifications
